A HEIL TRAILER International LLC Company

J&L 850 DOUBLES

A SET TO GET YOU THERE.

You're in this business to succeed, and that means moving product as quickly, safely and profitably as possible. For us, success means providing you a solution to do exactly that. That's why we created and continue to refine the J&L Doubles. With J&L Tank's design and engineering, ergonomic controls and the speed of quick load-up, emptying and cleanout; no matter the application, these J&L Doubles are the trailer for the speed of your business.

J&L 850 DOUBLES

Heil Trailers are the standard by which all others are judged. Our engineering is uniquely qualified to create real-world solutions to drive your business forward with functional design, ease of use, high efficiency and legendary durability and support.

Delivering excellence is hard—doing it for more than 100 years is our contract—what generations of loyal customers have come to expect.

THIS IS WHAT IT MEANS TO BE SOLUTIONS-DRIVEN.

VESSEL

- Polished aluminum vessel
- Low center of gravity with modern design and a wide base for a better ride and driver stability
- Engineered conical cone design for faster off load times
- Air pads offer efficient assistance for even quicker off load times

- All air ride suspension for overall smooth ride & durability of vessel & components
- Internal structural support to increase longevity & integrity
- 17" bottom dump for faster gravity drop and easy cleanout

OPERATOR ERGONOMICS

- Valve handles ergonomically located for ease of use
- Liquid filled line and tank pressure gauges at operator friendly location
- 20" cast Al. manhole with large latch handles that are easily adjustable and lightweight

- Open frame design for easy inspection & maintenance
- Hose cabinet on semi with large area access & easy door latch
- Load bearing light weight landing gear

SAFETY

- Wide base axles & full air-ride for driver safety & maneuverability which helps keep the trailers on the ground
- Full ABS on all axles for responsive braking
- Bright LED lighting & reflective conspicuity tape

- Non-skid tape, full length of barrel
- Step & grab handle in draw bar area
- Integrated rear ladder with top grab handles

OPTIONAL ACCESSORIES

- Auto open manholes
- Auto tire inflation
- Vibrators
- Flo cones
- Top air
- Muffler/silencer
- Disc brakes
- Super singles

*Our stock trailers are the most common spec in the industry. However, you can custom order to your preferred specifications
